

# Helping British businesses stay connected with the EU

O<sub>2</sub> business

## More reasons to choose O<sub>2</sub>

Want greater freedom and peace of mind when doing business with the EU? We're including calls and texts to the EU, when you choose a 6GB+ tariff on O<sub>2</sub>.

If you're looking to buy:

### The new iPhone XS

with durable glass, advanced face ID, breakthrough dual-camera system and the smartest, most powerful chip in a Smartphone.

### The new iPhone XS Max

with a 6.5 inch Super Retina display, Apple's largest display ever on an iPhone.

Re-sign with us, or take out a new contract with O<sub>2</sub> and you'll get calls and texts from the UK to the EU included in your tariff.

And you can get double data on us too.

## We're helping you to:

### Do business with Europe

by giving you greater flexibility and control over your costs.

### Work with customers and suppliers in Europe

with UK and EU minutes and texts included in your tariff.

### Work with confidence and avoid any unknown costs

with our double data offer included too.

## Calling from the UK to the EU

Get calls and texts from the UK to EU included in your tariff!

Now you can enjoy greater freedom and peace of mind to do business in the EU.

We're including calls and texts from the UK to the EU with our monthly business mobile plans above 6GB, as well as on 10, 20 and 30GB SIM Only plans. You can use your allowance when roaming in our EuropeZone.
